

## THE MISSION

**Spiritual Outreach** A central goal of our work is to minister the Gospel of Jesus Christ to leaders in our state. Our staff seeks to serve all who have genuine questions about biblical truth or desire a deeper relationship with Jesus Christ. And because we are a nonpartisan ministry outreach, the message of the Gospel can be heard with clarity.

**Ministry Training** Another key goal of the INDP is to equip our state's leaders and coordinators for ministry and service. We offer today's statesmen unique ministry resources that enhance their service to our Lord and our nation to become more effective in sharing their faith in the public arena.

**Restoring a Vision** The third component of the INDP mission is to help reestablish the principles and practices of Christian statesmanship so prevalent at the birth of our nation. Our Founding Fathers firmly believed that God alone secured the blessings of liberty. By encouraging the necessary link between personal faith and public life, we are calling on our leaders to embrace America's heritage of Christian statesmanship and rebuild our nation's foundation for liberty.

**Praying for Indiana's leaders**

# THE INDIANA NATIONAL DAY OF PRAYER

## THE HISTORY

The National Day of Prayer is a vital part of our heritage. Since the first call to prayer in 1775, when the Continental Congress asked the colonies to pray for wisdom in forming a nation, the call to prayer has continued through our history.

## THE VISION

To be a spiritual outreach communicating with families a need for personal repentance and prayer, and to mobilize them to personal and corporate prayer, particularly on behalf of the nation and those in leadership on all levels: government, church, education and media areas of influence.

To be a resource for Christian synergy in all of Indiana's ninety-two counties. To equip our state leaders for ministry and service to become more effective in sharing their faith in the public arena. To encourage the necessary link between

personal faith and public life, we are calling on our leaders to rebuild our nation's foundation for liberty by embracing America's heritage.

## HOW, YOU MIGHT ASK?

**Provide** a practical prayerful focus in churches, small groups, organizations and individuals as prayer missionaries to our state. Training church leaders how to establish and maintain effective prayer ministries.

**Act** as a conduit for what has been dubbed the "praying red cross" so we can respond to be salt and light in someone's hour of need anywhere in the state.

**Support** the over 300 coordinators across our state with training, encouragement and prayer so that they might hold larger or more impactful events of ecumenical Christian public prayer.

**Visitation** weekly to our Statehouse and the local offices our state leaders (ministers, education, judicial, family, media, government) offering confidential prayer support for them and their staff. To offer them resources that enhance their service to our Lord and our nation. To provide on site bible studies that are relevant and concise.

**Provide** a vigil of praying volunteers while the Statehouse is in session. Promote a daily

bible study conducted in the Statehouse chapel and in the larger offices for all interested government workers.

These studies are augmented by a series of special events like our Polity and Principal luncheons. These luncheons feature leading members of the legislator and public figures who share how a statesman's private faith impacts public service.

Ask yourself and those you care about **"Is living a peaceful and quiet life in all godliness and holiness in your community and across our state worth your support?"**
